

PLEDGE OF ACCOUNTABILITY

If elected, I pledge to do the following to achieve the best results for the state and to protect the best interests of our citizens:

- Base my decisions on research and communication with interested parties on all sides of an issue
- Work with willing colleagues on both sides of the political aisle
- Be accessible to my constituents, hear their needs and concerns, and use the resources available to me to assist them
- Be a model steward of donor and taxpayer funds
- Be proactive and creative in finding solutions to the impending votes and their implications
- Hold the highest of ethical standards as we conduct the people's business
- Be beholden to no one except the citizens of District 19 and the state
